

PRESIDENT: The amendment is adopted.

CLERK: Now the next amendment, Mr. President, is number three which is the balance of that amendment found on page 1517 of the Journal.

SENATOR WARNER: Is that the one dealing with salaries, Mr. Clerk?

CLERK: Yes, on the salary thing.

SENATOR WARNER: Okay. Mr. President, this is the same salary policy as was approved the other day. I would move for its adoption. I see by the Journal there may be amendments to it. We can either adopt this as it is and then take up those amendments as they are submitted, I suppose would be as easy. Mr. President, I would move for the adoption of the committee amendment three, which is the salary one. I believe there may be amendments pending to that. They can either be taken up now or....

PRESIDENT: Do you have anything on that, Mr. Clerk?

SENATOR WARNER: Or else we can adopt this and then take them up in the order that they're filed and still amend it.

PRESIDENT: Do you have some amendments there?

SENATOR WARNER: Okay. The easiest way, Mr. President, then I guess is to adopt this now and then take up those amendments individually as they come up.

PRESIDENT: Well then let's just move committee amendment number three, first of all, then we can amend it or not. Senator Bereuter.

SENATOR BEREUTER: Mr. President, for the record and for E & R, the last section that we struck was so-called striking Section 28. It should have been Section 21.

PRESIDENT: The question is the adoption of the committee amendment number three. Record your vote. Record.

CLERK: 23 ayes, 0 nays.

PRESIDENT: The amendment is adopted.

CLERK: The next amendment, Mr. President, is again offered by Senator Warner. It's found on page 1471 of the Legislative Journal. (Read amendment).

PRESIDENT: Senator Warner.

SENATOR WARNER: Mr. President, I move for the adoption of this amendment. This is a corrective amendment. It has the effect of adding \$7,000 to that agency in the Supreme Court. It is corrective in the processing of the bill to actually be what the committee voted to do.

PRESIDENT: Any further discussion? This is the first amendment to the third amendment that we just adopted. This takes 25 votes, by the way, since it is an appropriation bill. Record your vote. Have you voted? Record.
